

California Naturalist Program

*hosted by
Sagehen Creek Field Station*

Join this exciting new pilot program! Instructors and presenters include noted specialists:

- Become UC certified as a California Naturalist by completing 40+ hours in class and field;
- Access community involvement opportunities in restoration, outreach and research;
- Fill in gaps in your knowledge.

June 8 – August 10, 2012

10 weeks of Friday evening classes & 3 Saturday field trips
